EXPERIENCE

INSTITUTE FOR HEALTH IN THE BUILT ENVIRONMENT

JAN 2019 - SEPT 2019
UNIVERSITY OF OREGON

RESEARCH ASSISTANT

- Investigating human perceptual and physiological responses to spectrally diverse indoor electric lighting
- Currently studying how biofeedback devices such as facial expression analysis and galvanic skin conductivity sensors can be incorporated into the research and curriculum

COLLEGE OF DESIGN

SEPT 2018 - MAR 2019
UNIVERSITY OF OREGON

GRADUATE EDUCATOR

- Taught two undergraduate lab sessions for Building Construction
- Taught two graduate discussion sessions for Context of the Profession

PIVOT ARCHITECTURE

JULY - SEPT 2018

2018 PIVOT FELLOWSHIP

- Managed and conducted a self-directed research topic and generated renderings and graphic material for presentations and marketing purposes
- Research Topic: A Built Environment for Mental Wellness. This study is an exploration on whether design methodologies specific to psychiatric care and special needs institutions can be applied to other building types.

TRUEXCULLINS

JAN 2015 - MARCH 2017

DESIGNER

- Worked on a wide range of project types (residential, commercial, institutional) at all phases (pre-design through CA)
- Managed BIM models, produced digital renderings, marketing materials, construction drawings and details
- Completed AXP (previously known as IDP) in March 2017

EDUCATION

MArch
UNIVERSITY OF
OREGON
Eugene, OR 2017- 2019

BFA
MASS. COLLEGE OF
ART + DESIGN
Boston, MA 2008-2013

SKILLS

Strong used extensively in professional settings

Revit
AutoCAD
Excel (project MGMT and CA)
Adobe Photoshop
Adobe Illustrator
Adobe InDesign
Bluebeam Revu

Proficient used in professional + academic settings

Sketch Up
MasterSpec

Familiar used moderately in academic settings

Enscape
Rhino
Accelerad
(Daylighting Simulation)
Radiance
(Lighting Simulation)
DIVA for Rhino

EXPERIENCE CONT.

AIAVT

JAN 2016 - MAY 2017
AMERICAN INSTITUTE OF
ARCHITECTS VERMONT

EPN DIRECTOR

- *Managed the Emerging Professionals Network, a subcommittee of AIA Vermont*
- *Attended monthly AIAVT board meetings*
- *Organized events including meet-ups, portfolio reviews, and design charrettes*

ERCALABRESE DESIGN

MAY 2013 - JAN 2015

SUBCONTRACTOR

- *Conducted building surveys and produced record drawings, construction documents, and presentation materials for architects, landscape architects, interior designers, and developers*

PASSIVE HOUSE ACADEMY

NOV 2014

PASSIVE HOUSE CONSULTANT COURSE

- *An eight-day course covering material to become a Passive House Certified Consultant*

CAREER DISCOVERY PROGRAM

JUNE - JULY 2012
HARVARD GSD

URBAN DESIGN

- *A six-week intensive summer program at the Harvard Graduate School of Design that mirrored a first-year graduate studio in Urban Design*
- *Developed a broader design sense by working with a different scale*

SOLAR DECATHLON 2011

MAY 2010 - OCT 2011
MASSART

LEAD INTERIOR DESIGNER

- *Oversaw kitchen and bathroom design*
- *Specified all interior finishes and materials, plumbing fixtures, furniture, and artwork*
- *Managed plumbing, electrical, landscape, and interior sections in the BIM model and construction drawings*
- *This project developed my leadership skills, ability to manage time, as well as a technical understanding of net-zero design and modular construction*
